1. In order to overcome restrictions imposed by countries of the West on the ship-
ment of non-ferrous metals to Czechoslovakia, Metalimex in Prague is planning

themselves as members of small Czech firms not yet nationalized. These buyers
will try to obtain copper in particular by claiming that their firms can keep
going only if they can maintain independent sources of supplies of raw materials.

3. An unknown [redacted] firm is handling the shipment of large quantities of non-
